Thanksgiving at the Manor!

Fabulous Food and Friendships Make for a Memorable Day

They start early in the kitchen to prepare the Thanksgiving Day dinner for Manor residents. George and his staff have a lot of cutting, slicing, chopping, roasting and carving to do, and this year the result was nothing less than perfection. Many thanks for their dedication and expertise! And thanks also to the Goleta Noontime Rotary for providing the absolutely delicious turkeys!

Employee Appreciation Fund Drive

This is also the time of year to show our appreciation to the dedicated staff who make life as good as it is at Friendship Manor. The population of FM family is currently about 205 residents and we only a small but highly effective staff. They work hard all year and it's at this time of the year we say "Thank You." Please be generous this year and give what you can to the Employee Appreciation Fund to help these selfless folk have a wonderful holiday.

The traditional lock box will soon be on the slant board and you can give cash or check to show your own personal appreciation. Last year was a great success, so please dig deep and give what you can to show how much we appreciate the employees who work hard all year to make life great for everyone living at the Manor!

-
- A new refrigerator was purchased for the Corner Store. It's larger than the one we had before and should provide cold sodas, snacks and ice cream for years to come. Thanks to Kim for donating \$500 toward the purchase and Lorry donating \$100.
 - The B Lounge has a new shredder which is whisper quiet, so it shouldn't disturb those watching TV or engaged in other activities. Remember not to exceed 15 sheets of paper and do not use continuously for more than 15 minutes. Let's keep our shredder shredding!
