ALOHA FROM UCSB STUDENTS

The final event organized by our terrific UCSB student neighbors was a luau by the pool. The students brought food and the Hawaiian spirit and our Residents had a great time. Liv-Anna, who knows one or two things about the dances of the islands, busted a few moves that delighted everyone.

EMPLOYEE MILESTONE: RICHARD PEINTINGER

Richard has become almost a fixture at Friendship Manor over the years, starting out in the kitchen, moving to security and now working the front desk and taking Residents to medical appointments twice a week. He has become an indispensable asset to the Manor and his love of what he does is reflected in everything he touches and in how well he interacts with our Residents. He is a person who cares deeply for the well-being of our Residents and he is a truly nice person. We're lucky to have him at the Manor.

June 2019 marked Richard's 40th year anniversary of working at Friendship Manor. This is huge achievement and shows how dedicated Richard is to the Mano. Literally generations of Residents have directly benefitted from Richard's kindness and care.

Join all of us in congratulating Richard for his many years of splendid service. Thank you, Richard, your contribution to the Manor has made a positive difference in many lives over the years!

MAINTENANCE UPDATE

From Paul Hollingsworth, Maintenance Director:

Please report problems with your room – there is typically no charge to fix them: for slow draining sink or shower, running toilet, loose tile, plumbing or electrical problems, just fill out a work order at front counter. It's important to report slow showers or sinks backing up right away. Fixing a slow sink is an easy 20 minute job, but if they overflow and cause a flood it could cause major damage. FM will not charge to fix plumbing problems unless it is due to negligence or misuse.

Report the first loose or missing tile, it's an easy 30 minute fix, but continuing to use a shower or counter with missing tiles causes addition damage to the tile backer requiring several days to fix.

If you fail to report a problem as required in your lease and it causes additional damage to flooring, walls, shower, and neighbors – you may be liable for those damages. The only items FM regularly charges for are replacement light bulbs as provided by the Manor which cost \$4.50 each and replacement of damaged blinds which cost \$25 each including installation.

**DOROTHY’S CORNER STORE:

The Corner Store is looking for Resident volunteers for Fridays – it’s a fun 90 minutes that goes very quickly. Come join the team.

See Jason for information about volunteering.

All profits from every purchase go to fund movies in Jamison Hall, live entertainment, the B Lounge wi-fi, and much more. Support your Corner Store and make use of this valuable resource in the B Lounge.

Unity Shoppe – FREE Presents!

Reminder for all Residents: Local non-profit **Unity Shoppe** offers each Manor Resident the opportunity to get a free present for their birthday and for Christmas.
