*The Volunteer-Run Store's Proceeds Directly Benefit Residents*

The volunteer-staffed Corner Store in the B Lounge offers a wide-range of conveniences for Manor Residents. From necessities like paper products, to trash bags, to snacks and ice cream, this is your place to shop.

All profits from every purchase go to fund movies in Jamison Hall, live entertainment, the B Lounge TV and wi-fi, and much more. Support your Corner Store and make use of this valuable resource.

### VALENTINE'S DAY DANCE AT THE MANOR

The Manor is fortunate to have so many great student volunteers from UCSB, and at no time is this more obvious than at our dances. The students really came out in force this year to help make the Valentine's Day Dance a huge success. Residents who haven't come out to a dance yet, see how much fun it can be — and watch for the Spring Fling Dance in May!

**WATER USAGE UPDATE**

The Manor would like all Residents know that while the water usage has gone down slightly, as noted in the chart below, we're still not out of the woods. Despite all the rain we've had, the drought is not over so everyone please keep conserving water and keep doing what you're doing. With everyone's help, the Manor can continue to decrease water usage and keep costs down.

PLEASE READ IF YOU USE A WALKER

Dear Friendship Manor Residents:

**Due to limited space in our dining room, walkers will be allowed until it is determined by staff that they become a trip and fall hazard to your fellow diners. Please allow staff or other residents to temporarily remove your walker out of the main seating area, returning it upon your request.**

Thank you for your assistance.

Dan Herzog  
Executive Director

PS: At no charge, Friendship Manor can label your walker with your name. Please see the front desk and ask them to use our label maker.
